Dear Mr. Golafshar:

RE: BTR Sealing Systems
Keokuk, IA
RCRA ID No. IAD005135023

On September 20-21, 2000, a representative of the U. S. Environmental Protection Agency (EPA) inspected your facility. The inspection was conducted under the authority of Section 3007 of the Resource Conservation and Recovery Act (RCRA).

A Letter of Warning/Request for Information was issued to your company on April 4, 2001. I have reviewed your April 27, 2001, response to the Letter of Warning/Request for Information and determined that it adequately addresses the issues in the Letter of Warning/Request for Information. Therefore, no further submittals are required at this time. Please note that EPA reserves its right to pursue appropriate enforcement actions, including penalties, for violations discovered as a result of this inspection.

I would like to remind you that your facility is responsible for maintaining compliance with all applicable hazardous waste regulations. If there are any questions regarding this matter, please contact me at (913) 551-7154.

Sincerely,

Kori Kuehl, Environmental Scientist
